MOILA SHRINERS OF ST. JOSEPH,
MISSOURI

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, May 16, 2022

Mr. GRAVES of Missouri. Madam Speaker, I proudly pause to recognize Moila Shrine in St. Joseph, Missouri. 2022 is a huge year for the Moila Shrine celebrating two big milestones in their history. 2022 will mark both the 100th anniversary of the first Shriners Hospital for Children as well as their 100th anniversary of their location in St. Joseph, Missouri.

The Moila Shrine is a true landmark in St. Joseph. Whether it was being remodeled or expanded, wars, civil unrest, bust or boom the Moila Shrine has stood proudly on Noyes Ave. For those in St. Joseph, it has been a meeting place of celebration and community for generations. While it is the Moila Shrine, it's absolutely something enjoyed by all of St. Joseph.

The unofficial motto of the Moila Shrine is: Regularly experience fun with a purpose. That purpose is the support of Shriners Hospitals for Children. There are 22 hospitals across North America that provide expert orthopedic, cleft palate, spinal cord and bum care for children under the age of 18 at no cost to their families. Over 1,000,000 have been helped to lead better and more fulfilling lives in the century since the first of these hospitals have been founded. Which speaks nothing of the valuable research they have undertaken to advance treatments for children everywhere.

Madam Speaker, I proudly ask you to join me and the people of the Sixth Congressional District in recognizing the Moila Shrine of St. Joseph, Missouri upon the centennial of their Shrine in St. Joseph and the centennial of founding of their first children's hospital. I am proud to represent the 1200 members of the Moila Shrine in the United States House of Representatives.

IN RECOGNITION OF PRIMROSE
HILL ADULT & TEEN CHALLENGE

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, May 16, 2022

Mrs. HARTZLER. Madam Speaker, I rise today to congratulate Primrose Hill Adult & Teen Challenge for their years of devotion to helping women receive faith-based recovery care. Primrose Hill recently received the Champion for Drug-Free Missouri Award.

Primrose Hill is a residential recovery center for women and women with young children who have drug and alcohol addictions, located in Clark, Missouri. They are associated with the Adult & Teen Challenge, which is a non-profit faith-based organization that helps women find freedom from addiction. When women join the Primrose Hill Adult and Teen Challenge as students, they are given an opportunity to confront their choices, behavior, and any unhealthy views with the love of God and the guidance of Biblical principles. By allowing the women to bring their young children, Primrose Hill has also provided a space for mothers and children to experience mutual healing.

Primrose Hill has proven to be a recovery center like no other, serving fifteen women in 2021 alone. Women from all over the United States come to Primrose Hill to experience physical, mental, and spiritual healing. They contribute to their own recovery by doing everyday activities such as cleaning the house, cooking their meals, or working at one of the nearby colleges. These women also attend chapel services, Christian growth classes, church, and receive Christian mentoring.

To further forward their cause, Primrose Hill started PrimGoods, a bath and body care company. The natural products are made by the women in the program as another way for them to experience recovery. The products include homemade bar soaps, lip balms, and much more. All the proceeds raised from selling their products are used to supplement the cost of running the program.

Madam Speaker, I congratulate Primrose Hill Adult & Teen Challenge for their hard work and dedication, and I thank them for their years of selfless devotion to recovery and restoration.

CONGRATULATING THE FIELD MUSEUM OF NATURAL HISTORY ON ITS NEW EXHIBITION—NATIVE TRUTHS: OUR VOICES, OUR STORIES

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, May 16, 2022

Mr. DANNY K. DAVIS of Illinois. Madam Speaker, I am fortunate to represent a District with so many wonderful museums and cultural organizations that help make Chicago such a vibrant city.

One of these is the world-famous Field Museum of Natural History, which was founded in 1893 and whose exhibitions, research, education, and conservation programs attract more than one million onsite visitors each year.

The Museum's 1,300,000-square-foot, 1921 landmark building on Chicago's lakefront resides on the ancestral homelands of the Three Fires Confederacy: Ojibwe, Odawa, and Potawatomi. The area was also a site of trade, gathering and healing for more than a dozen other Native tribes. The state of Illinois is currently home to more than 100,000 tribal members.

I rise today to congratulate the Field Museum on its groundbreaking new exhibition, Native Truths: Our Voices, Our Stories, which replaces and reimagines its former Native North America Hall and opens to the public on May 20.

Over four years in the making, Native Truths: Our Voices, Our Stories features stories by Native American people of self-determination, resilience, continuity, and the future. It was conceived through extensive collaboration with more than 100 partners and Tribes, including Native American scholars, community leaders, artists, and museum professionals.
